

SHOP, LUNCH & EXPLORE at JEYES OF EARLS BARTON

CUSTOMER TESTIMONIALS

To Shop at Jeyes

"I just wanted to let you know about your lovely staff. They were so helpful regarding finding the missing Jellycat. They offered me coffee while they were searching, and I just really I felt they went out of their way for me which I am very grateful for.

Please pass on my thanks to them all."

To Lunch at Jeyes

"I recently had my 80th birthday party at Jeyes - I knew it would be wonderful because their standard is always impeccable and the food exceptional, but this was above and beyond. How Mandy the Cook managed to produce 20 immaculate breakfasts including vegetarian options and gluten-free options and at the same time prepare a variety of pastries served warm To guests on arrival, I will never know. The service at Jeyes is always superior to any other similar venue. It is not just parties that they do so brilliantly, but every meal that you order there or every cake that you want to take away is perfect.

It is a venue without parallel in Northamptonshire and I come again and again."

Rosie Rushton, 2025

To Explore at Jeyes

"Biggleswade History Society visited Jeyes of Earls Barton as part of our summer outings series. The team at Jeyes were a joy to work with, from the visit pre-planning confirmation, to a reserve area set aside for our group to use during the day and an excellent bespoke presentation on the day of the visit. The food and drink on the day was exceptional, and all from a free to visit attraction. Our group left with a deep understanding of the Jeyes family history and the broader history of the area. It was an excellent trip and an excellent destination for food and history lovers alike."

Mark Docherty, 2025
